ENTRY REQUEST WAIVER

As a driver and/or entrant, I make this request for entry into a Historic Motor Sports Association race event with the knowledge that motor racing is dangerous, and that I will be required to sign a Release and Waiver Form before being entitled to compete. Driver/Entrant further acknowledges that vintage racing may involve dangers present in any form of motor racing; but that vintage racing may also entail special dangers including, but not limited to, lack of contemporary safety equipment in your own or in competitors' cars such as roll cages, fuel cells, fire systems, etc., drivers with different skill levels, and race groupings which may include different types of cars in the same group, creating potential problems of visibility and disparate speed potentials. In requesting this entry, I acknowledge that I understand and voluntarily assume these and all other risks inherent in vintage racing. I also acknowledge any contact incident I may be involved in may be reported to the Vintage Motorsports Council.
